

DANNY Drives Results

DANNY The Benefit Decision Guide provides education and reliable recommendations to empower employees when selecting their benefits.

We surveyed this employer group over the course of two open enrollments; the first without DANNY decision support and the second with it.

It's clear to see that employees were engaged, took recommendations, and better understood where their dollars were going.

81% OF EMPLOYEES TOOK RECOMMENDATIONS ON CORE BENEFITS.

68% OF PEOPLE CONTRIBUTED MORE TO THEIR HSA AFTER GOING THROUGH THE GUIDE THAN THE PREVIOUS YEAR.

156%
increase in
total employer
group HSA
dollars.

14%
higher HSA
contributions
than national
average.

Employees were engaged.
Employees took action.
Employees made smart decisions.

Employees deserve decision support.
