

# The Difference Benefits Admin System

A comprehensive suite of products including:

- ✧ Online Enrollment Services Platform
- ✧ HR Portal
- ✧ COBRA Administration
- ✧ DANNY Decision Tool
- ✧ Benefits Administration

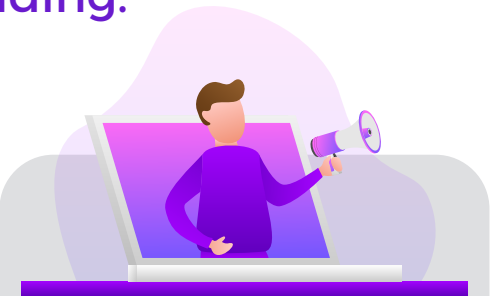

## An all-in-one tool for benefit administration.

Online Enrollment Services includes a complete enrollment system for HR with seamless integration between payroll and insurance carriers.

COBRA Administration includes two options to choose from:

1. Classic COBRA with a self-serve portal
2. Enhanced COBRA with automated payroll & carrier integrations

DANNY Decision Tool is a custom benefit guide that helps employees make smart healthcare decisions.

### Simplifying life for HR Teams.

The Online Enrollment Service will take care of everything from open enrollment, to adding or removing employees, to change of life events. Employees even get access to our benefit decision guide, DANNY!

Everything is handled automatically online with the system- all without HR having to do anything manually.
