

The Difference Card

Welcome to The Difference Card

**The Difference Card program
allows you to access employer-
sponsored funds for medical
expenses.**

The Difference Card Mastercard

- The Difference Card Mastercard is funded by your employer and not associated with your personal line of credit.
- You and your spouse, if enrolled in the plan, will have a Difference Card Mastercard.
- If your dependents are enrolled in the plan, they are able to use your Mastercard for their expenses.
- You can request a card be issued for a dependent 18 and over.
- Your Difference Card is valid for three years.
- Your Difference Card will be mailed to you in a plain, white envelope.

How Do I Use My Difference Card?

STEP 1:

To ensure you will be billed correctly, present your insurance card at your medical provider or pharmacy.

STEP 2:

The provider will coordinate with insurance on your benefits (If pharmacy, skip to step 4.)

STEP 3:

You will receive your providers' invoice and insurance carrier EOB in the following weeks showing amount due for services received.

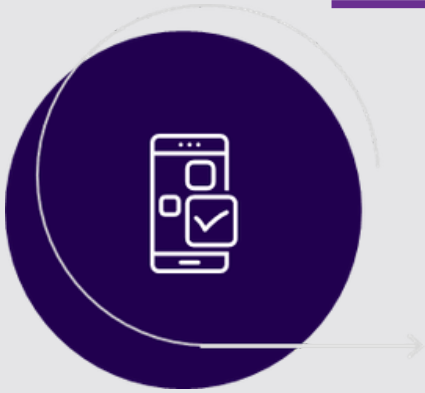

STEP 4:

Use your Difference Card Mastercard as payment for only the amount due for the services rendered.*
