

# WHAT COULD YOUR ENGINEERING CLIENT DO WITH AN EXTRA

**\$173,512**

60 Autodesk AEC Collection  
annual software licenses

34 professional CAD/BIM  
engineering workstations

Professional development and  
technical training for 130+ engineers

A large-scale drone surveying and  
reality capture program

We are proud of the **\$173,512** we  
have saved for EACH Construction  
organization
